Black Women in American Culture and History

Sponsored by
The Black History Ministry
Of
Beulah Grove Baptist Church

"Black Women in American Culture and History" showcases the beauty, success, and the places that Black women have carved for themselves, and their families in America and even the whole world. The rich culture displayed in this program is one that should be shared with Americans of all ages. Come join the children, youth, and adults of Beulah Grove as they depict the life experiences of Black women from the past, present, and the future.
