"From the Pastor's Desk"

Feb. 12, 2010

Dr. Sam Davis, Pastor

Beulah Grove Baptist Church

1434 Poplar Street

Augusta, GA 30901

Next Sermon (2/14/10)

- Text: **Mark 6:1-5**
- Subject: **“There is a Problem In the Atmosphere ”**
- Sermonic Proposition:
 - In light of the fact that the atmosphere restricts the activity of God thus denying miracles healing and breakthroughs and none of us want to be accessories to atmosphere assimilation because deliverance is critical, allow me some pen time to suggest three ideas relative to the subject, **“There is A Problem In the Atmosphere” --**
 - They confused who He was with His place of birth
 - They knew His family but missed His favor
 - They confused His value with His job
